TESTIMONIES:

"We love Jenny! She brings a timeless, inspiring message of perseverance, courage, and of course… HOPE! She has a calming presence and delivery that encourages providers to slow down and re-discover the true blessing and calling of being there for patients and their family members… especially during their darkest time of need."

- Steven Wei, MS, MPH, PA-C

Chair of the Surgical Oncology Advanced Practitioner Conference

"I am excited to have Jenny Mulks BACK as keynote speaker again, at "All Women Rock", Orange County conference June 29, 2019 AND honor her with a "Woman of The Year" award! We have also named a Humanitarian and Advocacy award after her to be given at every conference, "The Jenny Mulks Along Comes Hope Award"."

- Carl Wilson CEO & Owner of CDWilsonEvents

"Jenny opened our conference on an incredible note and really set the tone for the weekend. I am blessed to have heard her words and met her that day! You may want to consider handing out tissues right before you take the podium. #allthefeels"

– Leigh S.
Advanced Physician Assistant, Oncology

"Jenny is absolutely amazing! Such an inspirational keynote speaker on being a Hope-maker, and not a Hope-taker… So relevant for front-line oncology providers to better understand a patient's perspective"

(1st SOAP Conference Participant, April 2018)
